

Admission through Centralized Spot Admission held on 13-08-2026

General Instructions

1)

- All students having their allotment (prior to centralized spot allotment) in 9 Government Engineering Colleges and 3 Government Aided Engineering Colleges can directly go to the institution where allotment is received in the Centralized spot allotment and take admission on 14th August 2026 after paying the fee.
- Please note that all students who got allotment under centralized spot allotment need to pay the fee irrespective of whether they have paid fee to CEE or to any of the 12 institutions for which Centralized spot allotment is conducted. TC and other documents can be submitted to the newly allotted institution by 18th August 2026, 4 pm.

2)

- For students having their allotment (prior to centralized spot allotment) in any other colleges (including Government Cost sharing Colleges (LBS, CAPE, KSRTC, IHRD), University-Run colleges, Private Self financing Colleges), please note that they have to collect TC tomorrow itself (14th August 2026) without which they will not be able to take admission since AICTE deadline is tomorrow.
- They are expected to reach the newly allotted institution with TC and other documents mentioned in KEAM prospectus on 14th August 2026. The details of fee to be paid will be available in the institute website. If you could not reach by 4pm tomorrow after collecting TC, the respective institution can be contacted.
